[POST A JOB](#)

Reach qualified, professional social work candidates by posting your opening with SocialWorkJobBank.com. Posting a job is now easier than ever before. Save job listing information for even easier posting of similar jobs in the future. You can even create filters to pre-screen candidates. You have the option to pay by credit card or invoice.

[VIEW RESUMES](#)

SocialWorkJobBank is home to thousands of professional social work job seekers, at all levels, in all geographic locations. Some are looking for their first post-BSW or post-MSW position, while many others are seasoned professionals seeking a career move to a new setting or new role with increased responsibilities. View the confidential resumes for free, and then pay only for the ones that interest you. You will only pay for a resume after you have expressed interest in the candidate AND the candidate has responded with interest in being contacted by you.
